D-09350 Lichtenstein
Germany

Subject: Approval recognition of STC – EASA.A.S.01527

Dear Sirs,

In reference to **Thielert Aircraft Engines GmbH** application for validation of the following Supplemental Type Certificate:

EASA-STC: **EASA.A.S.01527 - Installation of TAE-125 aircraft engine in Cessna 172 aircraft**, in accordance with Supplement Maintenance Manual AMM 20-01 and Type Design Definition Doc. No. TDD 20-01;

we have completed our evaluation of above mentioned Supplement Type Certificate approved by the European Aviation Safety Agency (EASA) in respect of installation of TAE-125 aircraft engine in Cessna 172 aircraft.

Directorate of Civil Aviation of Bosnia and Herzegovina (BH DCA) find above mentioned STC to be in compliance with the applicable certification regulation of Bosnia and Herzegovina and, pursuant to Bosnia and Herzegovina Aviation Law Article 23.2 and 25.3, hereby recognizes and accept it as evidence for approval of the change as a major modification.

Best regards,

General Director

Dorđe Ratkovic
