PROCEDURES CHARTS FOR MOSTAR INTERNATIONAL AIRPORT

This AIC contains all the aerodrome, departure and arrival charts available for Mostar International Airport.

BHDCA draws the attention of Operators on the fact that all charts are established according to ICAO criteria except the charts 1.02, 1.03, 1.17, 1.19 and 1.20, which are still established according to APATC-1 criteria (NATO).

Inability to fly these APATC-1 procedures shall be reported to ATC at the first contact. Charts 1.02, 1.03, 1.17, 1.19 and 1.20 with ICAO criteria will be established in the near future.

Air Traffic Services at Mostar International Airport remain provided by SFOR/NATO until further notice.

This AIC replaces AIC A04/97

This AIC supersedes the following NOTAM Series D issued by CCL on behalf of BHDCA:
D0152/00
