PROCEDURES CHARTS FOR SARAJEVO INTERNATIONAL AIRPORT

This AIC contains all the aerodrome, departure and arrival charts available for Sarajevo International Airport.

BHDCA draws the attention of Operators on the fact that all charts are established according to ICAO criteria except the charts 2.11 and 2.13, which are still established according to APATC-1 criteria (NATO).

Inability to fly these APATC-1 procedures shall be reported to ATC at the first contact. Charts 2.11 and 2.13 with ICAO criteria will be published in the near future.

This AIC replaces AIC A02/98 23 APR 98

This AIC supersedes the following NOTAM Series D issued by CCL on behalf of BHDCA:
D0150/00, D0641/02, D0758/02, D0854/02, D0912/02, D913/02
